

Fairbarn Electric Inc. Response to COVID-19 Pandemic

To our Valued Customers,

The health and safety of our customers, employees, subcontractors, ESA partners and suppliers is of the utmost priority to Fairbarn Electric Inc. at all times. During the Covid-19 pandemic the policies and procedures of the *Fairbarn Electric Inc. Pandemic Preparedness Plan* will be communicated, evaluated, and adjusted as required in order to prevent the spread of Covid-19.

As the Coronavirus (COVID-19) continues to spread, we are closely monitoring and following the guidelines issued by all levels of government. Currently we are available to assist clients within the essential services sector with respect to construction, water/Sewer operations, power supply and the gas industry.

Please take the time to review the Fairbarn Electric Inc Pandemic Preparedness Plan. The plan has been recently revised within our Health and Safety Manuel to include the current Covid-19 pandemic. The Pandemic Preparedness Plan is available on our website <http://www.fairbarnelectricnorthbay.ca>.

Fairbarn Electric Inc. appreciates your loyalty and wishes you good health during this difficult time.

If you have any questions, please do not hesitate to contact us at 705-497-0642.

Regards,

Jerry Fairbarn
President
Fairbarn Electric Inc.
